CAREER OBJECTIVE

As an enrolled student at IOBM, To secure a challenging and rewarding internship position at CodSoft where I can utilize my strong mathematical and programming skills to contribute to innovative projects. I am eager to apply my practical experience in web development to drive impactful solutions and contribute to the organization's success.

EXPERIENCE

Adamjee Life Assurance Company (June 2024 - Aug 2024) Underwriting Department

- Provided intern training in individual life underwriting, hands-on experience with real cases, and mentorship.
- Focused on identifying concerns or red flags in insuring females, especially housewives at Adamjee Life Assurance and research in variances in Underwriting guidelines and SOPs.

Intern at CodSoft (1April 2024 - 30April 2024)

- At CodSoft, I'm currently interning remotely in web development, engaging in various projects. It's an invaluable opportunity to hone my skills and contribute to real-world applications in a virtual environment.

The Citizens Foundation Volunteer (May 2021- May 2023)

- Volunteered with The Citizen Foundation (TCF) to facilitate entry tests and selection camps.

EDUCATION

Institute of Business Management (Sep 2021 - present)

BS Mathematics and Economics

CGPA 3.61
